

ADEBOWALE PRECIOUS ISOLA

Document Specialist | Microsoft Word & PDF Expert | Remote-Ready

Lagos, Nigeria (Open to Remote Work) | adebowaleprecious3@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

Detail-driven professional with 4+ years of hands-on experience producing, formatting, and managing complex documents in Microsoft Word and PDF for academic, organizational, and technical contexts. Comfortable working across tracked changes, version control, structured formatting, and multi-stakeholder document workflows. Background in Computer Science adds a strong technical edge to document accuracy, data extraction, and structured content handling. Reliable, self-directed, and built for deadline-driven remote work.

CORE SKILLS

- Advanced Microsoft Word (formatting, styles, templates)
- Tracked changes, comments & version control
- PDF editing, form creation & digital signatures
- Document data extraction & consolidation
- Confidential & compliance-sensitive document handling
- Cross-functional & remote collaboration
- Attention to detail under deadline pressure
- Written & verbal communication

RELEVANT DOCUMENT EXPERIENCE

Final Year Capstone Documentation — Staff Appraisal Management System | Crawford University | 2025 - 2026

- Authored and formatted full technical documentation (Chapters 2-5) to university and academic compliance standards, including structured headings, tracked revisions, and version-controlled drafts across multiple review cycles.
- Produced a formal staff onboarding workbook and defence presentation deck, translating technical detail into clear, stakeholder-ready written material.
- Processed and consolidated a 287-person staff nominal roll for structured system data intake — extracting, cleaning, and organizing data across documents.

President — NACOS, Crawford University Chapter | 2025 - 2026

- Produced official reports, event documentation, and formal correspondence on behalf of the association, maintaining accuracy and consistency across all written materials.
- Managed structured records and documentation for the NACOS UNBOXED academic week event, coordinating multiple contributors and revisions.
- Delivered a formal handover document and speech to incoming leadership, ensuring continuity of records and processes.

Team Lead, Branding & Design — Evolv Africa / Eltimios Studio | Ongoing

- Prepared formal client-facing documents including brand guidelines, structured proposals, and presentation decks requiring precise formatting and version control.
- Managed confidential client and organizational information with discretion across multiple concurrent projects.
